TOP TIR LD 10W-40

Top Tir LD 10W-40 is a semi-synthetic engine oil from the SHPD group (Super High Performance Diesel) that provides exceptional lubricity, and improved protection of diesel engines. Intended for the lubrication of heavy-load diesel engines of trucks, buses, construction and agricultural machinery. Guarantees a clean engine and a long service life of modern diesel engines operating in harsh climatic conditions. Recommended for lubrication of new-generation European, Japanese and American engines with EGR system. Not recommended for engines with DPF particulate filters.
