

Technical Data for:

MAPETROL CLASSIC ESTER 2T

Description:

Mapetrol Classic Ester 2T is ester-enriched, semi-synthetic, technology oil designed for peak performance and protection of 2-stroke engines. Its advanced formula ensures superior performance, even in extreme conditions. This self-mixing oil is ideal for modern 2-stroke motorcycles with oil injection or premix systems.

Benefits:

- Improved engine responsiveness compared to conventional mineral oils
- Minimal smoke emission
- Optimal protection against scuffing and ring sticking
- Exceptionally low exhaust deposits for superior engine cleanliness
- Enhances overall engine longevity
- Excellent compatibility and mixing with gasoline

Specifications and approvals:

API TC

JASO FD

Typical characteristics:

Test	Method	Unit	Results
Density at 15 °C	ASTM D 4052	[g/cm ³]	0,85–0,88
Kinematic viscosity at 40 °C	ASTM D 445	[mm ² /s]	50-70
Kinematic viscosity at 100 °C	ASTM D 445	[mm ² /s]	7-10
Viscosity index	ASTM D 2270	-	> 120
Pour point	ASTM D 97	[°C]	< -30
Flash point (Cleveland)	ASTM D 92	[°C]	> 100

The values provided are for informational purposes only. The exact values for a specific batch are available on the Certificate of Analysis (CoA).

Storage:

Please store in a well-ventilated, dry, and cool area, away from direct sunlight and out of reach of children. Additional information can be found in the safety data sheet.
