III
0W-30

Mapetrol Professional LL IV 0W-20, approved by Volkswagen Group, is a fully synthetic motor oil engineered for peak performance in modern Volkswagen Group gasoline and diesel engines. It is designed for use in passenger cars where VW 508 00/509 00 approval is required. Boasting an ultra-low viscosity, this product minimizes friction within the engine and lowers oil resistance, further optimizing its suitability for short-distance drivers.

Benefits:

- Reduces friction
- Enhances fuel efficiency
- Optimizes engine performance
- Minimizes deposit accumulation
- Provides top-tier protection and maintains peak performance even under demanding driving conditions

Mapetrol Professional LL III 0W-30, approved by Volkswagen Group, is a fully synthetic, premium-performance engine oil specifically developed for modern Volkswagen Group gasoline and diesel engines with diesel particulate filters. It is designed for use in passenger cars where VW 504 00/507 00 approval is required. Thanks to long-term stability, reduced ash content and viscosity index 0W-30 this oil extends change intervals and saves fuel.

Benefits:

- Reduces fuel consumption
- Reduces CO2 emissions
- Protects engine parts by reducing friction and wear

Mapetrol Professional LL III 5W-30, approved by Volkswagen Group, is a fully synthetic, premium-performance engine oil specifically developed for modern Volkswagen Group gasoline and diesel engines with diesel particulate filters. It is designed for use in passenger cars where VW 504 00/507 00 approval is required. Thanks to long-term stability, reduced ash content and viscosity index 5W-30 this oil extends change intervals and saves fuel.

Benefits:

- Reduces fuel consumption
- Reduces CO2 emissions
- Improves engine efficiency
- Protects engine parts

Mapetrol Professional D 5W-40, approved by Volkswagen Group, is a fully synthetic, high-performance motor oil enriched with premium additives, specifically developed for Volkswagen Group diesel engines that do not have a particulate filter and require VW 505 01/505 00 approval. It provides sustained maximum performance, especially when the engine is under pressure. Its superior formulation makes it the ideal choice for optimal engine health and longevity in demanding Volkswagen Group diesel applications.

Benefits:

- Reduces fuel consumption
- Reduces CO2 emissions
- Improves engine efficiency
- Provides comprehensive protection across a range of speeds, conditions, and temperatures

PROFESSIONAL G 5W-40

Mapetrol Professional G 5W-40, approved by Volkswagen Group, is a fully synthetic, high-performance engine oil enriched with premium additives, specifically developed for Volkswagen Group gasoline engines that do not have a particulate filter and require VW 502 00/505 00 approval. It provides sustained maximum performance, especially when the engine is under pressure. Its superior formulation makes it the ideal choice for optimal engine health and longevity in demanding Volkswagen Group gasoline applications.

Benefits:

- Great fluidity at low temperatures
- Improves engine efficiency
- High thermal stability
- Provides comprehensive protection across a range of speeds, conditions, and temperatures

Mapetrol Professional 229.52 5W-30, approved by Mercedes-Benz, is a fully synthetic engine oil specifically developed for the latest generation of "BlueTEC" diesel engines equipped with SCR technology requiring MB 229.52 approval. It is also suitable for Mercedes diesel engines with particulate filter (DPF) and some petrol engines requiring an approved MB 229.51 or MB 229.31 lubricant. This oil provides superior performance even under high pressure conditions.

Benefits:

- Reduces fuel consumption
- Reduces CO2 emissions
- Reduces engine deposits and keeps the engine clean
- Optimizes overall responsiveness

PROFESSIONAL 229.52 5W-30

Mapetrol Professional 229.51 5W-30, approved by Mercedes-Benz, is a fully synthetic engine oil engineered to meet the stringent requirements of Mercedes-Benz high-performance engines. It is suitable for both diesel and gasoline engines where MB-Approval 229.51 is required. Formulated with a unique blend of high-quality synthetic base oils and advanced additives, this engine oil provides exceptional protection against wear and effectively prevents the build-up of harmful deposits and impurities. The specialized formulation ensures optimum engine cleanliness and performance.

Benefits:

- Reduces friction and wear
- Enhances overall efficiency
- Ensures cleanliness of critical engine components
- Reduced fuel consumption
- Reduces CO2 emissions
- Delivers consistent and reliable performance in demanding driving conditions

Mapetrol Professional 229.5 5W-40, approved by Mercedes-Benz, is a fully synthetic engine oil suitable for both diesel and gasoline passenger cars where MB-Approval 229.5 is required. Tailored to deliver superior performance, this product guarantees an exceptional defense mechanism against mud accumulation, particularly under conditions of extreme pressure. It is crucial to note that Mapetrol Professional 229.5 5W-40 is not compatible with diesel engines equipped with a Diesel Particulate Filter (DPF).

Benefits:

- Reduces wear
- Protects critical engine components
- Provides a robust defense against the detrimental effects of friction and heat
- Prolonges engine life and ensures optimal performance
- Great fluidity at low temperatures

PROFESSIONAL
RN 5W-30

Mapetrol Professional RN 5W-30, approved by Renault Group, is a fully synthetic, fuel-efficient engine oil specifically developed for Renault vehicles where the manufacturer recommends Renault RN17 approval. This advanced formulation, utilizing premium-quality base oils and anti-wear additives, is engineered to significantly prolong the operational lifespan of both gasoline and diesel engines. It prioritizes engine cleanliness and power, delivering optimal engine performance.

Benefits:

- Provides exceptional lubrication
- Reduces friction and wear
- Prolonges engine life and ensures optimal performance
- Great fluidity at low temperatures

Mapetrol Professional C4 5W-30, approved by Renault Group, is a fully synthetic, fuel-efficient engine oil recommended for vehicles requiring Renault RN720 approval. It provides unparalleled protection for the after-treatment systems in Renault gasoline and diesel passenger cars. Developed with premium-quality synthetic base oils and additives, it delivers exceptional oil strength, particularly in engines operating under elevated pressures.

Benefits:

- Provides robust defense against oil film breakdown
- Ensures sustained lubrication
- Minimizes friction across vital engine components
- Extends engines life

PROFESSIONAL

C4 5W-30

Mapetrol Professional LL 04 0W-30, approved by BMW AG, is a fully synthetic, high-performance, fuel-efficient engine oil specifically developed for BMW vehicles requiring BMW Longlife-04 approval. It provides unparalleled engine protection by reducing metal-to-metal contact across a wide spectrum of driving speeds. In addition, this oil's inherent fuel efficiency properties make it an excellent choice, promoting lower fuel consumption without compromising performance.

Benefits:

- Reduces friction across vital engine components
- Reduces fuel consumption
- Reduces metal wear
- Prolonges engine life and ensures optimal performance

Mapetrol Professional LL 04 5W-30, approved by BMW AG, is a fully synthetic, fuel-efficient engine oil specifically developed to optimize the performance of BMW gasoline and diesel engines requiring BMW Longlife-04 approval. This product stands as the ideal choice for those seeking top-tier performance and longevity for their BMW vehicles.

Benefits:

- Ensures cleanliness of critical engine components
- Prevents corrosion
- Minimizes friction
- Prevents deposit buildup
- Prolonges engine life and ensures optimal performance
- Reduces oil consumption

LL III
0W-30

EN Mapetrol Professional LL III 0W-30: Approved by Volkswagen Group, this is a fully synthetic, premium-performance engine oil, specifically developed for modern Volkswagen Group gasoline and diesel engines with a diesel particulate filter. It is designed for use in passenger cars where VW 504 00/507 00 approval is required. Thanks to long-term stability, reduced ash content and viscosity index 0W-30 this oil extends change intervals and saves fuel.

DE Mapetrol Professional LL III 0W-30: Zugelassen von der Volkswagen Group, handelt es sich hierbei um ein vollsynthetisches, leistungsstarkes Motorenöl, das speziell für moderne Benzin- und Dieselmotoren der Volkswagen Group mit einem Dieselpartikelfilter entwickelt wurde. Es ist für den Einsatz in Personenkraftwagen vorgesehen, bei denen eine VW 504 00/507 00-Zulassung erforderlich ist. Dank langfristiger Stabilität, reduziertem Aschegehalt und Viskositätsindex 0W-30 verlängert dieses Öl die Wechselintervalle und spart Kraftstoff.

IT Mapetrol Professional LL III 0W-30: Approvato dal Volkswagen Group, questo è un olio motore di prestazioni premium completamente sintetico, specificamente sviluppato per i moderni motori a benzina e diesel del Gruppo Volkswagen con un filtro antiparticolato diesel. È progettato per l'uso in auto di serie dove è richiesta l'approvazione VW 504 00/507 00. Grazie alla stabilità a lungo termine, al contenuto ridotto di ceneri e all'indice di viscosità 0W-30, questo olio prolunga gli intervalli di cambio e risparmia carburante.

FR Mapetrol Professional LL III 0W-30 : Approuvée par le groupe Volkswagen, il s'agit d'une huile moteur entièrement synthétique, de qualité premium, spécifiquement développée pour les moteurs à essence et diesel modernes du groupe Volkswagen avec un filtre à particules diesel. Elle est conçue pour être utilisée dans les voitures particulières où l'approbation VW 504 00/507 00 est requise. Grâce à une stabilité à long terme, une teneur réduite en cendres et un indice de viscosité 0W30, cette huile prolonge les intervalles de changement et économise du carburant.

ES Mapetrol Professional LL III 0W-30: Aprobado por el Volkswagen Group, este es un aceite de motor completamente sintético, de rendimiento premium, desarrollado específicamente para los modernos motores de gasolina y diésel del Grupo Volkswagen con filtro de partículas diésel. Está diseñado para su uso en automóviles de pasajeros donde se requiere la aprobación VW 504 00/507 00. Gracias a la estabilidad a largo plazo, contenido reducido de cenizas y un índice de viscosidad 0W-30, este aceite extiende los intervalos de cambio y ahorra combustible.

SL Mapetrol Professional LL III 0W-30: Odobreno s strani Volkswagen Group, to je popolnoma sintetično, vrhunsko zmogljivo motorno olje, posebej razvito za sodobne bencinske in dizelske motorje skupine Volkswagen z dizelskim filtrom trdnih delcev. Namenjeno je uporabi v osebnih avtomobilih, kjer je potrebna odobritev VW 504 00/507 00. Zahvaljujoč dolgoročni stabilnosti, zmanjšani vsebnosti pepela in viskoznostnemu indeksu 0W-30 to olje podaljšuje
